# Testimonial

“ I was surprised by how amazing the equine therapy experience was at Farmtown. One cannot truly understand the power and influence this moment of magic can serve for each child.

With the combination of the horses, donkeys, Kelly's expertise, and Farmtown love, these clients receive amazing care specific to their needs. This is a fantastic strategy to produce real change in the lives of all those visiting this farm.”

## About Us

Farmtown Canada is a registered charity offering year round faith-based Equine Therapeutics helping families, kids, teachers and agencies find new hope and healing for their lives.

### WHY HORSES?

Horses help calm and heal our inner being - often when humans can't get the job done. Equine assisted work often helps clients change and grow more quickly and effectively than traditional clinical and psycho-educational approaches.

### OTHER WAYS YOU CAN HELP

- **Use your skills** to help as a handy person at the farm with on-going projects.
- Ask your church or service club if they'd like a **guest speaker** from Farmtown!
- Promote Farmtown through **social media**
- Schedule a **group tour** of Farmtown!

Equine therapeutics helps kids heal!
